

United by science for a better tomorrow

CURIOUS 2024

FUTURE INSIGHT CONFERENCE

July 10 – 11, 2024 Mainz, Germany & Online

Do you want to participate in the „Woodstock of Science“ ?

Submit your abstract **Prologend until 12 April 24** and win a free ticket!

Submit your abstract for a **Poster**, an **Ignite-talk**, or the **Start-up fair!**

All selected presenters receive a free ticket to the Curious2024 - Future Insight™ conference where the world’s best and brightest scientific minds and innovators will unite to help realize a better tomorrow.

Join us to explore the most promising breakthroughs across these impactful areas of science:

- Human health and nutrition
- Smart materials
- Digitalization, AI, and robotics
- The secrets of the human mind
- Bioconvergence
- Synthetic biology
- Renewable energy
- Mobility and space flight
- New ways of working together

Submit your abstract here: www.curiousfutureinsight.org

* : participants voice at Curious 2018
